Who we are *we*

Vaishnavi Gramodyog is a GMP-compliant contract manufacturer of Ayurvedic and herbal cosmetic products, based in the Baddi industrial belt of Himachal Pradesh — one of India's most established pharmaceutical and cosmetic manufacturing clusters.

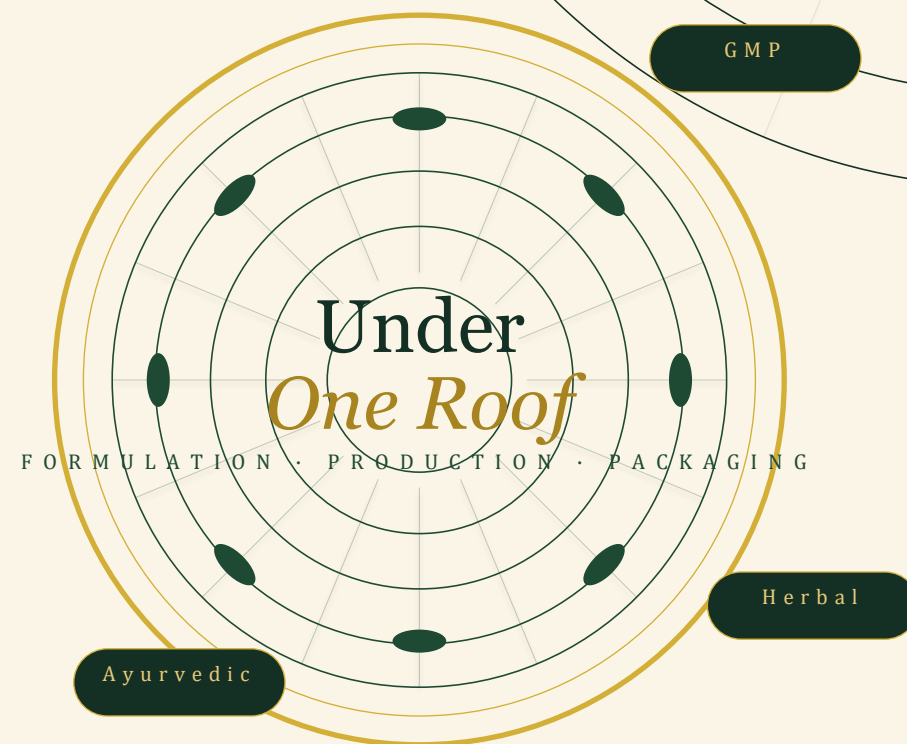

We manufacture for established brands, export houses, D2C labels, and direct-selling companies — handling formulation alignment, GMP-compliant production, batch documentation, and packaging under one roof.

From concept to dispatch.

A 15 – 20 day rhythm, transparent at every step.

01

STEP · 01

Brief & Formulation

Share your product concept; we align on formulation and packaging.

02

STEP · 02

Sampling

Formulation samples developed and shared for your approval.

03

STEP · 03

Production

GMP-compliant batch manufacturing at 100 kg – 1,000 kg scale.

04

STEP · 04

Quality Check

Batch documentation and QC verification before release.

05

STEP · 05

Dispatch

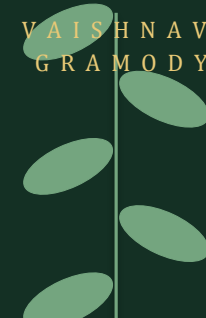

Packed and shipped within 15 – 20 days of confirmed order.

Quality, at every ounce.

Quality control is built into every stage of our production — from raw material intake to final batch release — with documentation practices designed for GMP compliance and brand-partner audit readiness.

◆ OUR TRANSPARENT SOAP PROCESS

“Our flagship transparent soap line reflects our broader approach: careful formulation control, consistent batch-to-batch quality, and full visibility for brand partners into how their product is made.”

PILLAR · 01

GMP-Compliant Facility

Production practices aligned with Good Manufacturing Practice standards.

PILLAR · 02

Batch Documentation

Batch manufacturing records maintained for every production run.

PILLAR · 03

Established Track Record

Manufacturing relationships with recognized brands like Tata and Khadi.

Partners across every stage *of the brand journey.*

PROFILE · 01

Established Brands

Scaling existing herbal or Ayurvedic lines with reliable batch capacity.

PROFILE · 02

Export Houses

Consistent, documentable production for international shipments.

PROFILE · 03

D2C Brands

Low MOQ and fast turnaround suited to growing direct-to-consumer labels.

PROFILE · 04

Direct-Selling / MLM

Volume-ready manufacturing for network and direct-selling companies.
